Dear Sir/Madam:

I would like to launch an official complaint and open an investigation into the September 30, 2009 disclosure report submitted by Michael Julian Bond candidate for the Post 1 At Large seat on Atlanta City Council. The candidate's mailing address used on the disclosure report is P.O. Box 92817, Atlanta Georgia 30314. The Clerk of Council records Mr. Bond as having the following known street addresses: 266 Sunset Avenue NW Atlanta, Georgia 30314 and 55 Maple Street Apt 807, Atlanta, Georgia 30314.

The 9/30/09 disclosure reports Mr. Bond accepted \$22,670 in contributions in excess of \$101.00 and should have been disclosed on the 9/30/09 report. However the data attached to the 9/30/09 report is the same data Mr. Bond submitted on his 6/30/09 and therefore he has not, in fact, disclosed the sources of campaign contributions received from July 1, 2009 through September 30, 2009 as required by Georgia Law.

Mr. Bond is an experienced legislator having served on Atlanta City Council from 1994 until 2001 and he should have a complete understanding of campaign disclosure rules. I believe Mr. Bond has established a pattern of not reporting campaign contributions as required. Mr. Bond ran for Atlanta City Council in the District 3 race in 2005 and failed to file any disclosure reports for the election cycle what so ever. To date, no reports for the 2005 race have been filed.

Sincerely,

Kwanda L. Farmer
